When do you expect the build to be completed? (supported with building control and new build warranty sign off).* NB – The Society allows 2 years from the date of completion of the mortgage for the property to achieve final sign off.	
If the build will not be finished within the first 2 years of completion, please confirm the reasons for this and the expected completion date	Reason:
	Expected Completion Date:
Please confirm Building Control sign off has been obtained for the works completed to date	
Please confirm New Build Warranty sign off has been obtained for the works completed to date	
Please provide updated pictures of the project including internal & external images	Please confirm below if you have sent updated pictures via another attachment.
Please attach your images to the body of the email this form is sent on or you can send them on a seperate email to mortgage.servicing@saffronbs.co.uk making reference to the account number.	Yes No
Please provide us with any further information you think is relevant to us about your Self-Build project	

If you now require a further retention draw down please complete the attached Retention Release form and send it to **mortgage.servicing@saffronbs.co.uk** along with copies of the invoices.
